**Internet Web Sites:** (Web Sites are provided for downloading articles from the Internet)

*Center for Democracy and Technology: Counter Terrorism* – **<http://www.cdt.org/policy/terrorism/>**

The Center for Democracy and Technology works to promote democratic values and constitutional liberties in the digital age. With expertise in law, technology, and policy, CDT seeks practical solutions to enhance free expression and privacy in global communications technologies. CDT is dedicated to building consensus among all parties interested in the future of the Internet and other new communications media.

*Countering Terrorism and Protecting our Forces* –

**[http://www.defenselink.mil/other\\_info/terrorism.html](http://www.defenselink.mil/other_info/terrorism.html)**

This page provides information about the Department of Defense's efforts to fight terrorism at home and abroad.

*Office of Counterterrorism* – **<http://www.state.gov/www/global/terrorism/index.html>**

The Office of Counterterrorism coordinates all U.S. Government efforts to improve counterterrorism cooperation with foreign governments. The Coordinator has primary responsibility for developing, coordinating, and implementing American counterterrorism policy.

*Response to Terrorism* – **<http://usinfo.state.gov/topical/pol/terror/>**

Web site maintained by the International Information Program of the Department of State. This site contains government reports, documents, official texts, and links to other web sites on the issue of terrorism.

*Terrorism Research Center* – **<http://www.terrorism.com/index.shtml>**

The Terrorism Research Center is dedicated to informing the public of the phenomena of terrorism and information warfare. This site features essays and thought pieces on current issues, as well as links to other terrorism documents, research and resources. Navigate the site by clicking on the area of interest.
